

"10 illusions" Company introduction:

"10 illusions" is an international architecture design studio, with branches operating in Shanghai, Tokyo, Copenhagen and Warsaw. We are engaged in architecture, interiors, urban planning and landscape design, as well as industrial product design. We bring together the sophisticated Asian philosophy, the profound Western artistic tradition with avant-garde ideas, aiming for the most creative designs that voice our time. We welcome the passionate young architects and designers to join us and accomplish beautiful dreams.
